Personal Marketing Campaign

AgentBizPro is a marketing company servicing only the real estate industry. We pride ourselves in doing things out of the ordinary and our approach to marketing entails something a little different than most are used to. As a real estate professional, you must look upon yourself as a "product," and you must market yourself as such. We work with you to create and design a Personal Marketing Campaign, then supply you the tools to implement it.

A Personal Marketing Campaign Includes:

- **Personalized Logo**
- **Personalized Business Identity Package**
includes letterhead, envelope and business card
- **Personal Brochure**
- **Personal House Flyer**
- **Personal Jumbo Post Card**

(included free: presentation folder, personal newsletter, notecard pad, thank you card, seller/home buyer questionnaires, seller resource handbook)
